
The Foundation Brand Designer

Job Description

Submission Deadline

12.01.19

We're looking for a switched-on, creatively ambitious, motivated and resourceful brand designer to join our team.

The role in a nutshell

- You'll be a designer working collaboratively on projects with a strong ability to develop creative concepts.
- You'll present ideas confidently with clear rationale.
- You'll be working under the guidance of our Head of Design.
- You'll be responsible for delivering exceptional creative as part of the design team.

Your experience

- 3–5 years experience at a reputable agency.
- Worked on large and small projects with a healthy appetite for branding.
- Experience applying brands digitally, spatially and in print.
- Experience of brand strategy.

Your skills

- You bring ambitious and inspiring ideas at every opportunity.
- You have a natural ability for developing initial concepts.
- You value a strong rationale at the heart of your design.
- You care about type, crafting logos and have an eye for beautiful art-direction.

- You care about the design details and getting things super-tight.

- You can organise your thinking and ideas systematically – using clear, methodical processes.

- You're a great communicator who is naturally inquisitive and you enjoy discussing your own work and the work of others.

- You are comfortable presenting your work in a clear, confident and engaging way.

- You listen carefully and respond positively to feedback.

- You're a pro-active, positive problem-solver.

- You're autonomous, happy working as part of a team or working on your own.

- You're a driver. You see what needs tackling and you work hard to get things done, helping our creative processes to run like clock-work.

- You have a strong grasp of words and grammar.

- Previous advertising experience desirable.

Qualities important to us

- Ambition for yourself and the work.
- Integrity in everything you do.
- Open-minded and highly collaborative.
- You're naturally inquisitive.
